**FOR**

## **PARISH COUNCIL**

I have lived in Liphook since 1989 at Bohunt Manor, where I looked after the estate for my aunt, Lady Holman. Just before my aunt died she told me she wished that the estate would be preserved for the enjoyment of the people of Liphook. I promised to do all in my power to achieve this aim.

### **Bohunt Manor**

My aunt would have considered the proposals for a health centre, allotments and cricket and football pitches to fulfil her wishes. However she would have been strongly opposed to a Gospel Hall, or to the prospect of a possible housing estate.

A minority of particular councillors, without any clear reason, appear to support applications for development of the Bohunt Manor estate and elsewhere in Liphook. This is of course against the wishes of local people! Therefore, my aim as a Parish Councillor is to reject the bad planning applications that are clearly not in the interest of the local people or community

### **ACCOUNTABILITY & TRANSPARENCY**

I have been a frequent visitor of the Parish Council monthly meetings in the last few years. Recently, I have been getting more and more concerned about the motivation and intentions of a number of current councillors, not supporting the fight against the proposed 600 capacity Gospel Hall development, especially as there are only 24 members of the Select Brethren in the Parish.
