See overleaf for Key Reasons for objections

We believe the following are key reasons for objecting:-

1. The South Downs National Park should not be developed within the Parish of Bramshott & Liphook.
2. Liphook already has sites for new houses within the settlement boundary.
3. The beautiful scenic views of the National Park must be protected.
4. The proposal will overwhelm Liphook's road system.
5. Drainage of treated foul and surface water into the local streams is problematical.
